TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Peterborough, in the County of Hillsborough, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the ninth of March next, at eight thirty of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing, and for Election of Delegates at Large, Alternate Delegates at Large, and Alternate Delegates to the National Convention, and Delegates to the Constitutional Convention.

2. To raise such sums of money as may be necessary for the maintenance of the poor, for the laying out and repairing of the highways, and for all other charges arising within the Town, and appropriate the same.

3. To raise and appropriate such sums of money as may be necessary for the support of the Fire Department and Public Library, and for Memorial Day.

4. To see what sum of money the Town will vote to raise and appropriate toward paying the Town debt and interest.

5. To hear the reports of Agents, Auditors and committees, or Officers heretofore chosen, and to pass any vote relating thereto.

6. To see if the Town will vote to instruct the Selectmen to appoint a Police Officer, or as many as may be necessary, to preserve order in and about the public places of the Town, and perform other duties as may be required by the Selectmen, both day and night, and raise and appropriate money for the same.

7. To see if the Town will vote to accept legacies and gifts given to the Town in trust by any individual or individuals.

8. To see what sum of money the Town will vote to raise and appropriate toward the support of the Monadnock Region Association or take any other action relating thereto.

9. To see what sum of money the Town will vote to raise and appropriate toward paying for electricity, both for Power and lighting purposes, to be used at the Swimming Pool on Union Street.

10. To see what sum of money the Town will vote to raise and appropriate for the suppression of Gypsy Moths, or any other insect pest.

11. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) for the use of the Town History Committee.

12. To see if the Town will vote to place in the Capital Reserve Fund, the sum of One Thousand Dollars (\$1,000.00) from the Water Department receipts to be used for major repairs and maintenance of the Town Water System in the future, or take any other action relating thereto.

13. To see what sum of money the Town will vote to raise and appropriate toward the support of the Peterborough Band, or take any other action relating thereto.

14. To see what action the Town will take toward installing and maintaining a Community Christmas Tree and to see what sum of money the Town will raise and appropriate for the same or take any other action relating thereto.

15. To see if the Town will vote to raise and appropriate the sum of Nine Hundred Fifty Nine Dollars and Fifty Four Cents (\$959.54) provided the State gives Three Thousand Eight Hundred Thirty Eight Dollars and Sixteen Cents (\$3,838.16) for road maintenance and construction of Class Five Highways.

16. To see what sum of money the Town will vote to raise and appropriate to extend the Town Water System on Windy Row from a point opposite the Hadley Property to a Point opposite the Rossi property, or take any other action relating thereto.

17. To see if the Town will vote to establish a planning board of seven members, with duties as set forth in section 3 to 15, inclusive, of Chapter 53 of the revised laws of New Hampshire 1942, to make a study of the Town's development, and to report to Town Meeting appropriate recommendations for the promotion and maintenance of the Town's best development, and, in general, promote the development of the community, the board members to consist of one selectman and six other citizens all to be appointed by the selectmen as provided in said chapter 53 of the Revised Laws.

18. To see if the Town will vote to install the following Street Lights and raise and appropriate the money to pay for the operation of the same.

- A. One 600 C. P. Light at each end of the Bridge at West Peterborough at \$55.00 each light per year.
- B. One 100 C. P. Light on Mercer Avenue off Old Dublin Road after this avenue is laid out by the Selectmen at \$22.00 per year.
- C. Two 100 C. P. Lights at the Lower end of Summer Street at \$22.00 per year, for each light.
- D. One 100 C. P. Light on Nubanusit Lane at \$22.00 per year or take any other action relating thereto.

19. To see if the Town will vote to discontinue the Old Harrisville Road from approximately the Verney Mill Dam to approximately the property of Edgar E. Brown, as recommended by the United States Army Engineers and upon the completion of a new road from the Old Harrisville Road to Windy Row or take any other action relating thereto.

20. To see if the Town will approve an agreement between the United States of America and the Town of Peterborough and authorize the Selectmen to enter into and execute the said agreement in the name and behalf of the Town of Peterborough and do all other acts or things necessary or incidental thereto; or take any other action relating thereto.

21. To see if the Town will vote to rescind the parking ordinances as adopted at the Annual Town Meeting March 9th, 1937 and adopt new ordinances as recommended by a Traffic Committee appointed by the Selectmen or take any other action relating thereto.

22. To see if the Town will vote to rescind any former vote whereby any public Highway was discontinued through error, and also to correct any erroneously laid out Public Highway or take any other action relating thereto.

23. To see if the Town will vote taxicabs ordinances in accordance with Chapter 146 laws of 1943 or take any other action relating thereto.

24. To see if the Town will vote to raise and appropriate the sum of one hundred and fifty dollars (\$150.00) to pay for the installation of an overhead traffic blinker at the intersection of Main and Grove Streets, or take any other action relating thereto.

25. To see if the Town will vote to raise and appropriate a sum of money for the relocation of the Town Dump or take any other action relating thereto.

26. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deeds.

27. To see if the Town will vote to authorize the Selectmen to have the Town House insulated, raise and appropriate money for the same, or take any other action relating thereto.

28. To see what sum of money the Town will vote to authorize the Selectmen to borrow in anticipation of Taxes.

29. To see if the Town will transact any other business that may legally come before this meeting.

Given under our hands and seal this 21st day of February in the year of our Lord, Nineteen Hundred and Forty Eight.

REPORT OF THE BUDGET COMMITTEE, 1948

A study of the estimated fiscal requirements of the town for the current year indicates a general increase in the expenses of every major department. The inexorable pressure of higher costs, coupled with the reluctance of loyal public servants to increase the burden of taxation upon the citizens, has served to emphasize the fact that examination of the budget requires constant attention to two objectives of equal importance: the elimination of expenses considered to be either unnecessary or untimely; and providing adequate funds for expenses considered to be essential to efficient administration. The following observations of the Committee include recommendations influenced by both of these objectives.

The progress, condition, and ultimate prosperity of the town depend to a high degree upon the quality of the employees it is able to attract and retain in its service. To this end, the Budget Committee recommends generosity in the matter of compensation for those employees whose source of support is the salary which they receive from the town. The essential physical facilities of the town must be adequately maintained, and parsimony which interferes with this requirement constitutes no real measure of economy. On the other hand, to achieve these goals, the town must examine most carefully proposals for new projects, which in many cases will be found to involve not only an initial, but also a constantly recurring expense.

The budget of the School District proposes the expenditure of \$84,997.00 for the fiscal year beginning July 1, 1948. Of this sum, salaries of teachers is the only major item within the control of the School Board and these to a limited extent. The Board must budget not only the amounts needed for local purposes, but also its share of the budget of the Supervisory Union, which it does not control, but to which the District must contribute in any event. The Committee is informed that the budget includes provision for additional secretarial assistance and equipment in the office of the Superintendent of Schools. The Committee urges the School Board to employ its best efforts in keeping the expense of administration of the Union at a minimum consistent with efficient operation.

A new item included in the budget is the sum of \$1,000.00 as this District's share of the salary for a proposed Supervisor of Art. The School Board will present a special article to raise \$3,000.00 for the employment of a director of athletics. Both of these proposals fall into that category of new and recurring expenses mentioned above. The Committee is not satisfied that the present need justifies the expense of these specialized additions to the faculty. The facilities of the Sharon Arts Center are available at nominal expense to those few pupils who are seriously interested in the study of art. Summer and winter recreation-

al facilities at the Adams Playground, swimming pool, Golf Club, skating rink and local ski tows present copious opportunity for development of recreational skills which will be valued in adult years. Until such time as the services of a combined teacher and coach may be available to the District, the Committee recommends that the District continue to employ a coach on the part-time basis now in effect.

The School Board also expects to ask for an appropriation of \$3,000.00 for the development of a playing field on land of the District at the rear of the High School Building. The Committee considers the proposed figure to be excessive. Although the Committee takes no stand on this project, it urges that the study of recreational facilities for children in school be correlated with plans for the War Memorial and for development of Putnam Park. Further study could well result in a program which would permit economies in the development of a superior playing field at a single location instead of dissipation of funds at three widely separated areas.

The Committee believes that the provision made for increased salaries for teachers and for the school nurse are necessary and desirable.

With the exceptions noted, the Budget Committee approves the budget of the School District.

The School District Committee on Building will present a proposal for the repair of the Central School. The proposed repairs, if made, will put the building in excellent condition for service over an indefinite period. The recent report of the Fire Marshal attests the fundamental safety of the building. It is imperative that this building be either repaired or replaced. Recent studies establish the improbability of early replacement of the structure, and it appears extravagant that this should be done when the present facilities can be put into first class condition at a fraction of the cost of new construction. The proposed repairs are estimated to require the expenditure of approximately \$25,000.00, of which the Building Committee proposes that the sum of \$10,000.00 be raised this year. The Budget Committee strongly recommends that the School District approve the program outlined by the Building Committee.

The Committee has been informed that an appropriation of \$3,000.00 will be requested to finance a school lunch program in both the high school and central school. This is broken down as follows: \$1,000 for the purchase of necessary equipment and \$2,000 for salary of one person in charge and an assistant. This latter item of course will be a recurring one, and a permanent addition to the school budget in years to come should this be approved. The Committee feels that this proposal, although desirable, is not essential and should therefore be rejected at the present time.

It is anticipated that articles asking for extension of the water system to Windy Row and to North Peterborough will be presented at costs of \$2,200 and \$20,000 respectively. The Committee understands that the standard four-inch water main is not available, and that the two-inch pipe which can be obtained is not satisfactory for installation of fire hydrants. If this information is correct, the Committee is satisfied that no extension of the water system at this time should be authorized. When conditions of supply permit, the committee suggests that the installation be financed to a reasonable degree by means of assessments levied upon the owners of property to served by the new lines.

In considering the town budget, which contains the Selectmen's estimate of total revenue and expenses of the town for 1948, the Committee has conferred at length with the Selectmen and the heads of all major town departments. It is our opinion that the proposed increased expenditures over 1947 in nearly every department are justified and unavoidable, due to the general rise in the cost of labor and materials.

In the case of the Fire Department, the Committee actually recommended an increase of \$1,000 over the figure of \$8,000 asked for by that department. The Committee feels that a total of \$9,000 should be appropriated by the town for this department, so as to enable it to purchase and replace certain worn out and additional new equipment absolutely necessary for the efficient functioning of the department. The increase in the number of fires last year, plus the fact that very little new fire equipment has been purchased for replacement purposes during the past few years, has brought about this necessity for a much larger appropriation.

The Committee also agrees with the proposed increased appropriation of \$7,400 for the police department in order to maintain our present efficient service in this department.

It is understood that a proposal may be presented for the insulation of the roof of the Town House. The Committee feels that the little fuel economy resulting from such a project will not justify its expense. The hall is only intermittently heated when in actual use. Moreover, it should be noted that, even now, there is very little evidence of the snow melting to any extent on the roof of the Town House. It is felt that most of the heat in winter escapes through the large windows, and that condition, of course, will not be remedied by insulation.

We again point out, as we did last year, that the duty of the Highway Agent is the maintenance of the town highways, and the equipment purchased by the town is provided for this purpose. This winter, however, by vote of the town last March, the Highway Agent has done most of the snow removal on private highways, at prices probably far below the actual cost of such removal. The result has been that our road equipment

has seen very hard use, and is, of course, more fully depreciated, with practically no additional income to make up for it. We feel that there are and will be sufficient private sources available for this work, and therefore unanimously recommend that town snow removal on private driveways should be discontinued after this winter, just as the use of town road machinery for other types of private work has already been stopped. We except, however, cases of emergency, and in such cases we recommend that only the Selectmen have power to authorize such work, and then only at prices equal to those prevailing among private contractors.

Perkins Bass, Chairman
A. Erland Goyette

Report of the Chief of the Fire Department

To the Selectmen of Peterborough I submit my report from January 1, 1947 to December 31, 1947.

Alarms	29	
Still Alarms	29	
	—	58
Chimney Fires	14	
Grass Fires	9	
Building Fires	6	
Automobile Fires	4	
Forest Fires	7	
Oil Burner Fires	4	
Inhalator Cases	3	
Town Dump	4	
Work with Police Dept.	3	
Out of Town	3	
False Alarms	1	
	—	58

This is an increase of 18 calls over last year. For information purposes a brief summary of some of the larger expenditures during the past year are as follows:

Paid from appropriation to Peterborough Water Department. (This figure is set up by Public Service Commission).

Water rent, for hydrants	\$1,920 00
Water rent at fire station	15 00
Payroll to Firemen for fiscal year 1947	\$1,973 97
Chief's Salary	300 00
Assistant Chief's salary	100 00

Cost of Forest Fires and Fire Patrol:

Town of Peterborough's Share	\$1,643 27
------------------------------	------------

From the overdraft shown in Selectmen's Report there will be a reimbursement from the State of New Hampshire of \$1,204.03 for Temple Mountain Forest Fire.

During the Fire Hazard in October a fire patrol was maintained, cars being donated by firemen. The total cost of this patrol was \$205.00, one-half of this amount being returned to the Town by the State of New Hampshire.

A new Emerson Resuscitator was added to the equipment at the Fire Station, being purchased from funds donated by interested citizens of the Town and the balance made up by Firemen.

Respectfully submitted,

DAVID J. ROCHFORD, Chief.

Report of Police Department

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my annual report for the year ending December 31, 1947.

JUVENILE DELINQUENCY

During the past year we did not have a single Juvenile case which warranted the attention of our Courts.

POLICE CAR

We have been able to give the town greater coverage, especially during the night hours because of the car acquired for the Police Department. During the period from April 4th to December 31st, the car has covered 7500 miles.

CONCLUSION

I wish to take this opportunity to express my thanks to the Board of Selectmen; members of the Police Department; members of the State Police; Judge James B. Sweeney; Clerk of Courts, Algie A. Holt; Highway Agent, Kenneth Wetherbee; Merchants and Citizens of Peterborough for the cooperation given me in the performance of my duty as Chief of Police during the past year.

Respectfully submitted,

ALBERT J. PICARD, Chief of Police

ERNEST L. WHITE
Overseer of the Poor

Report of Adams Playground Committee

Season of 1947

The 1947 Staff at Adams Playground consisted of Mrs. Barbara Carll, Mr. Milan M. Knight and Miss Nancy Whitney, Assistant.

The program of activity can best be summarized by excerpts from Mr. Knight's report as follows:

"The Playground opened on the 27th day of June and closed on the 29th day of August. The early average attendance was approximately 65 with a slight decline as youngsters went away to summer camps and summer vacations.

"The general program was to integrate the handicraft work with the athletic schedule. During the course of 10 weeks the handicraft work captured the majority of interest, while athletics were taken to fill the gap between the handicraft projects.

"The handicraft program was divided into two parts. The first concerned the making of individual projects which could be taken home, with such articles as belts and beads being made from paper; and wood articles such as book-ends, doorstops, letter-openers, letter-holders, tie racks, picture frames, kitchen reminders and footstools. The second part of the program consisted of the building of a doll house which was sent to a home for under privileged children. This house was indeed a worthwhile project, not only because it was being made by the youngsters for someone else, but because it integrated many phases of handicraft. The structure of the house was a project in woodworking, the borders on the rooms a lesson in design and painting, knowledge of weaving and braiding in the rugs, while the facilities in the bathroom and kitchen required aptitude in soap carving; needlework was utilized in making curtains and overstuffed furniture and anyone who saw the completed work displayed in the Public Service Company window must have been impressed with the success of this project.

"The athletic program was varied to the inclinations of the children and it became evident that interest in competition was not keen, nor did this particular age group take to the tournament idea very well. The little interest registered in baseball among the younger children was such that purchase of needed equipment was withheld. However, softball games were held daily with an occasional game between boys and girls. Archery was extremely popular and interest was spurred by Mr. Howard Morse, an archer from Keene, who stopped each week on his way through Peterborough to give of his own time in archery instruction. The youngsters made their own target bases and were particularly careful about tracing arrows. Horseshoes and darts were popular games, especially in the

early afternoon, which was the hottest part of the day. The field was given over to baseball each Wednesday afternoon when older boys were relieved of store duties and made use of the playground."

The condition of the baseball field was fairly good throughout the season. Such improvements as are necessary to make this a first class field will involve considerable expense. Complete resurfacing of the end field and rebuilding of the out field is a future project to be considered, but it is the feeling of the Playground Committee that the anticipated Memorial to be erected at the Playground will have considerable bearing on the advisability of the baseball field improvement program.

At the State owned Peterborough pool, attendance for the season tallied 6,847 which is a marked increase over previous years. The Staff consisted of Mrs. Emma Parkhurst, Mr. Robert Michaud, Mr. Vernon Dube and Mr. Maurice Bowler. Considerable progress was made with swimming instruction, water safety, life-saving and all phases of a water front program. It is interesting to note that a breakdown of the attendance figures indicates 3,444 children under 12; 2,388—12-18; and 1,015 adults.

At the Playground it was necessary to add outside tables as work benches in as much as the popularity of the craftwork outgrew the house appropriated for that use. It is anticipated that further accommodations will be necessary for the coming season. A great deal of credit is due to the Staffs at both the Playground and the pool for their work separately and together.

The Playground Committee is happy over the proposed development of the Playground area and the stadium in prospect as a War Memorial, for Committee members have an opportunity to appreciate the advantages to Peterborough's youth of the Playground and Pool. It is especially noticeable to members of the Staff and to the Committee members that outsiders are tremendously impressed with the program afforded by the Playground and Pool, contrasted with most local people who do not avail themselves of the opportunity to make use of these facilities or appreciate the advantages to our young people. It is sincerely hoped that the Memorial Fund Drive will stimulate greater interest and participation in the Adams Playground and the Peterborough pool.

Respectfully submitted,

BELAND H. PEIRCE

AUDITORS' REPORT

We have examined the accounts of all Town Officers, Committees and others having charge of moneys, for the year ending December 31, 1947 as required by law and find them correctly cast and properly vouched.

We have not examined the James Smith or Weston Memorial Funds as these funds are not held in the name of the Town.

THOMAS C. RODGER
THOMAS S. NICHOLS, JR.

Report of the Librarian of the Town Library

TO THE TRUSTEES OF PETERBOROUGH TOWN LIBRARY

Herewith is presented the report of the librarian for the year 1947:

TOWN LIBRARY

Number of volumes purchased during year	611
Number of volumes acquired by gifts during year	107
Number of volumes discarded during year	217
Number of volumes now in library	26,866
Number of volumes circulated during year	21,006
Number of pictures circulated during year	22
Number of volumes repaired during year	287
Registrations during year	236
Reading room attendance	4,787
Periodicals and newspapers bought for reading room	60
Periodicals and newspapers given to reading room	14

Appreciation is hereby expressed to the following friends of the library who have remembered it with gifts of books, magazines and flowers:

Books: H. F. Anderson, Boston and Maine Railroad, R. G. Carpenter, Fish & Game Dep't of N. H., Mrs. William M. Carpenter, Cheney-Armstrong Unit No. 5 American Legion Auxiliary, Miss Madelyn Cobham, Mr. Robert Cutler Craig, Mrs. Clarence J. Derby, Educational Committee National Foreign Trade Council, Estate of E. W. Jones, Mr. Gerald H. Faunce, Miss Anne E. Hamilton, Mrs. William G. Hunter, Miss Esther Jackson, Mr. and Mrs. Carl T. Keller, Mr. LeRoy Lincoln, Mr. Paul M. A. Linebarger, Mrs. William McGreal, N. H. Planning & Development Commission, Mrs. Orvel B. Peirce, Peterborough Historical Society, Mr. Arthur Pound, Master John L. Ramsey, Miss Alice E. Robbe, Secretary of State of New Hampshire, Miss Anna Bird Stewart, Mr. Roscoe R. Storer, Union Congregational Church, Mrs. Sam Bass Warner.

Extra magazines: Mr. Robert C. Craig, Mr. William Davis, Keene Evening Sentinel given library this year.

Flowers: Mrs. Elwood Aldrich, Mrs. J. Norton Hunt, Mrs. William G. Hunter, Mrs. Richard E. Simpson, Miss Etta M. Smith, Mrs. Fred P. Waite.

Libraries are absolutely necessary to the maintenance and sustenance of social progress and are an educational necessity for every American citizen, both young and old, in school and out.

A large amount of reference work was done for the School of Advanced International Studies during their stay here, last summer.

Some of the grades from the Central School have visited the library during the past year.

During Book Week in November, we had three book exhibits for the children: one at the Public Service Store, one at the Central School, and one at the library. One day of that week, Miss Jaquith visited all of the grades at the Central School, where she told stories and gave out bookmarks.

As in former years, a large number of books for supplementary reading have been loaned to the schools, as well as the New York Times to the High School. In the Central School, 2,928 books were read by the children from the books borrowed from the library for supplementary reading.

Our Christmas creche was loaned to one of the grade teachers for use during the holiday season.

The Methodist and Union Congregational Church readers both enjoy the privileges of the library to a great extent borrowing books to be used in connection with their State Reading Lists.

We wonder if the people realize that the library has a large collection of pictures on all subjects to be loaned to anyone who cares to use them; also a large collection of music.

We are sorry to report that the tuition and bus pupils are not allowed to come to the library during school hours to borrow books, as they did last year. This prevents them from using the library, as they have to take their busses for home at the close of the school hours.

We agree with the one in Our Town who has these words to say, "I wish that everyone would read a Library Book a day.

This may seem a lot of reading
But if you'll believe your eyes
You'll be healthy, you'll be wealthy,
And you'll be wondrous wise."

Respectfully submitted,

MARTHA E. CUTLER
Librarian

B. Administrative Policy

The position of first place in this report is selected for the discussion of the topic of administration not because it is of major importance but because it is the machinery which puts into operation the process for which the schools exist: the instruction of the child. In order that the child may have the educational opportunity which society wishes for him teacher's for subjects from beginning reading to advanced mathematics, debating or metal turning must be procured; buildings with their heating, plumbing and lighting facilities, and building furnishings from clocks to pupils' desks and power saws must be maintained; janitor service must be furnished; instructional materials from textbooks to preserved grasshoppers must be selected and a continuing supply provided, and transportation,

safe and comfortable, must be operated. In a democracy the answer to all problems arising from all of these various areas must be found in the light of the welfare of the child. The need for wise decisions in handling these problems is a tremendous challenge to the highest type of educational leadership and cannot come without it but the wisest decisions will be reached and the soundest policies developed not by such leadership alone but will only grow out of a continuous frank and honest co-operative interplay of the interests and energies of professional educators, school boards and intelligent, public-spirited laymen. Man's search for a life of order and peace will be successful only to that degree that education meets the developing challenges of each generation and education will meet those challenges to that extent that those laymen of greatest wisdom and public spirit give of their abilities to the continuing development of the school. The schools belong to the people and must be what the people want. They will be good when the people take time to study their needs carefully and conscientiously and they will fail when the people neglect to support them or support them with money alone. They are a living part of our social existence and they derive their vitality solely from the very life streams of society's individual members. They must continuously receive the radiant energy of the very souls of the people. It is urgent that all take as active a part as possible in those activities that pertain to the school: P. T. A. meetings and committee work, school district meetings, forums for discussion of school matters, etc. The people of the Monadnock Region are constantly evidencing a high interest in cultural and educational matters. We should continue to strive to develop this potentiality into an ever more effective working force for the growth of our schools.

Peterborough was particularly fortunate in the small number of vacancies caused by teacher resignations the past year. There were no changes from January to June and at the close of the school year in June 1947 only three teachers had decided not to return: Miss Norma E. Keech, Mrs. Mazie N. Barker, and Mrs. A. Willis Goddard. Mrs. Eleanor T. Manning who had taught one year with marked success at Goffstown, replaced Miss Keech. Miss Alyce Cryan, a graduate of Plymouth Teachers College in 1947, was elected to teach in Grade 4 in place of Mrs. Barker. Mrs. Goddard's music work was taken over by Edmund A. Aluisy, a graduate of the New England Conservatory of Music in 1947. During the summer Mrs. Winnifred O'Malley resigned and Mrs. Dorothy B. Kendall of East Jaffrey, formerly teacher of Grade 3 in Windsor, Vt., was elected to fill the vacancy. Three days after the opening of school in September Miss Cryan, who had become Mrs. Abbott in August, withdrew and Mrs. Mildred P. Dutton of Peterborough was elected to fill the sudden vacancy. In November Mr. Aluisy resigned and on January 5, 1948 Mrs. Evelyn L. Nute of East Jaffrey began her duties as music teacher.

Headmaster Faunce and Mr. Lambe attended Summer School last summer: Mr. Faunce at the University of New Hampshire and Mr. Lambe at Boston University. During the current year four are taking an extension course in Social Studies from Keene Teachers College: Mrs. Teed, Mrs. Critt-singer, Mrs. Kendall and Miss Thomas. These six teachers are to be commended for their progress in professional improvement. The present teaching staff is one of which the community may justly be proud.

B. Programs and Methods

As Headmaster Faunce has stated in his report, three new courses were added to the High School offering this year: Civics for grade 9, World Problems for grade 12, and Human Behavior for grade 12. The challenge facing the schools today of making their programs meet the needs produced by our rapidly changing social concepts is exceedingly great. It is fully realized that the offering of additional courses will not alone keep Peterborough High School in the forefront. Besides the course offering being broadened, there has been renewed effort to make the school experiences of the students rich with opportunities to study and practice the democratic way of life. There is in the Peterborough schools, elementary as well as high, a concerted attempt to develop a militant faith in American democracy. To stimulate improvement in the schools in both program and methods of instruction in the social studies field, with particular emphasis on the elementary level, a forty-five hour extension course is being offered by Keene Teachers College to teachers in this supervisory union. A class of fifteen teachers—four from Peterborough, ten from Jaffrey, and one from Dublin—normally meets each Monday from four to six-thirty at the Jaffrey Grade School. The instructor, Miss Wilson, is doing an excellent job in making available for reference source materials and in stimulating productive thinking. The social concepts the boys and girls get in school today will have much to do with their future happiness and welfare. It is unwise to continue to use a textbook, maps, workbooks, etc., that inculcate concepts not in keeping with our present-day needs. There is great need for more interesting and better adapted materials of instruction in the schools and this course is helping greatly in discovering what materials are best suited for use, how to obtain them, and how to use them.

PART III. FINANCE**A. Annual Report of District Treasurer**

Fiscal Year Ending June 30, 1947

Cash on hand June 30, 1946 (Treasurer's bank balance)	\$126 72
--	----------

Received from selectmen:

Appropriations for current year	\$62,745 00	
Dog Tax	397 21	
Received from State Treas., Federal Aid	389 29	
Income from Trust Funds	500 00	
Received from all other sources	<u>7,724 91</u>	
Total Amount Available for Fiscal Year		\$71,495 62
Less School Orders Paid		<u>71,401 86</u>
Balance on Hand as of June 30, 1947 (Treasurer's bank balance)		\$93 76

E. SCHOOL BOARD'S ESTIMATE FOR 1948-49

School Board's statement of amounts required to support public schools and meet other statutory obligations of the district for the fiscal year beginning July 1, 1948.

Detailed Statement of Expenditures**Support of Schools:**

Teachers' Salaries	\$50,285 00	
Text Books	2,250 00	
Scholars' Supplies	2,700 00	
Flags and Appurtenances	20 00	
Other Expenses of Instruction	715 00	
Janitor Service	3,750 00	
Fuel	2,825 00	
Water, Light, Janitor's Supplies	1,463 00	
Minor Repairs & Expenses	2,800 00	
Health Supervision	1,350 00	
Transportation of Pupils	9,200 00	
Other Special Activities	200 00	
		<hr/>
		\$77,558 00

Other Statutory Requirements:

Salaries of District Officers	\$230 00	
Truant Officer & School Census	50 00	
Superintendent's Excess Salary	1,266 67	
Per Capita Tax	786 00	
Other Obligations	4,406 33	
		<hr/>
		\$6,439 00

Total amount required to meet School Board's Budget		<hr/>
		\$83,997 00

Estimated Income of District

Balance June 30, 1948		
State Aid, December, 1948	\$4,720 00	
Federal Aid, July, 1948	400 00	
Dog Tax	400 00	
Income from Trust Funds	1,000 00	
High School Tuition Receipts	7,000 00	
Elementary School Tuition Receipts	275 00	
Other Income	30 00	
		<hr/>
Deduct total estimated income (above items)		\$13,825 00
Assessment required to balance School Board's Budget		<hr/>
		\$70,172 00
Special Appropriation Proposed: (Article in Warrant)		
New Equipment		<hr/>
		\$1,000 00
Total Assessment Required to Cover Budget and Appropriations		<hr/>
		\$71,172 00

Two special articles in the Warrant deserve comment: (1) grading, (2) physical education program. So many people have made known their awareness of the need of space near the high school for carrying on physical activities that a study has been made of the possibility of grading an area back of the building large enough for use for baseball, tag football, soccer ball, volley ball, field hockey and the like. It is estimated that to remove and pile the top soil, grade a reasonable area, replace and smooth the top soil and seed the lot would cost between \$2,500 and \$3,000. Those who are acquainted with the needs of the school will immediately realize the meaning of this project in terms of the physical and mental health of the students. The article is inserted in the warrant to permit such action as is desired.

The article pertaining to a physical education program is also inserted to permit the inauguration of a program toward the development of sound bodies and alert, healthy minds. There has been so much publicity about the physical deficiencies revealed by the war that further discussion here would be bore-some.

PART IV. CHILD ACCOUNTING AND STATISTICS

A. Roll of Honor for Attendance

The following twenty-five pupils were neither absent nor tardy during the school year ending June 30, 1947: Patricia Bailey (2), Frances Blanchette, Shirley Blanchette, Richard Buxton, Arlene Calkins, William Clukay, Gail Faunce, Catherine Glidden, Elsie Lussier, Robert Martin, Philip Martus, Gifford Merchant, David Peirce, Marjorie McLaughlin, Morrison Peirce, Anne Proctor, Pauline Santella, Betty Shattuck, (2), George Starkweather, Beverly Sullivan, Dean Westover, Janet Wheeler, Anna Yakovakis, Nancy Young and Sylvio Zanga.

A number following a pupil's name indicates the number of consecutive years the pupil has had perfect attendance.

B. Promotions to High School

The following 22 pupils were promoted to High School in June 1947: Barbara Blanchette, Joseph Bourgoine, Gloria Carr, Priscilla Cheney, Dorothy Coulter, Donald Cuddihee, Ronald Dutton, Doris Emery, Patricia Emery, Barbara Hannon, Wayland Harris, Fred Jenne, Lee LaFleur, Thomas Low, Theresa Lussier, Robert McLean, Ruth Pickford, Donald Pierce, Lillian Reynolds, Evelyn Smith, Eugene Tansey and Nancy Young.

C. Statistics for the Year Ending June 30, 1947

	High	Elem.	Total

D. Census, September 30, 1947**Enumeration of Resident Children**

Number of resident children 5 to 16 in local schools	383
Number 5 to 16 in high schools outside the district	1
Number 5 to 16 in elementary schools outside the district	0
Total number 5 to 16 in some school	384
Number 5 to 8 not in school	28
Number 8 to 14 not in school	1
Number 14 to 16 not in school	8
Total number of children 5 to 16 not in some school	37
Total number of resident children 5 to 16	421

PART V. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. Report of the Headmaster Gerald H. Faunce Teaching Staff

An acute teacher shortage still exists throughout the state and nation; and although the downward trend has been checked and the supply of competent teachers for secondary schools is better than it was a year ago, the problem of securing able, energetic, imaginative, and well-trained men and women for instructors in our schools remains acute. In the light of these conditions it is my feeling that we have been indeed fortunate in retaining all but one of our staff during the current year. The community's acceptance and appreciation of our teachers, coupled with its efforts to assist them in meeting the increased cost of living through salary adjustments and adequate sick leave, have, I am sure, contributed immeasurably towards the retention of what I consider an experienced, well trained and hard-working group.

ENROLLMENT

The total enrollment in the High School on September 1, 1947, was 162, a decrease of but 3 from last year. In the Jr. High School the total number registered was 79, a gain of 17 over the enrollment in that group a year ago. The pupils enrolled are distributed by grades as follows:

Junior High School				Senior High School					
Grade	7	8	Total	9	10	11	12	P.G.	Total
Boys	16	14	30	18	33	13	16	3	83
Girls	24	25	49	24	16	20	19	0	79
Total	40	39	79	42	49	33	35	3	162
Total in Junior and Senior High School									241

TUITION PUPILS 1947-48

Tuition pupils attending Peterborough High School this year total 61. They are classified according to districts as follows:

Bennington	16	Harrisville	2
Dublin	24	Rindge	2
Fracestown	3	Sharon	3
Greenfield	7	So. Lyndeboro	2
Hancock	1	Temple	1

GRADUATES OF THE CLASS OF 1947

Barry, Stella; Bowes, Elsie; *Brown, George; Brown, Mary; Brown, Robert; *Chouinard, Warren; *Clark, Francis; Clukay, William; DeOrsey, Lois-Anne; Dube, Vernon; Durkee, Barbara;

Fontaine, Edward; Glidden, Lloyd; Guinard, Philip; Guyette, Richard; Hutchinson, Elaine; Johnson, Susan; Keenan, Patricia; *Kereazis, Paul; Larson, Wendell; Leeman, Karl; Leonard, Jean; *McKenna, John; McLaughlin, Marjorie; Myhaver, Evelyn; Myhaver, Gordon; Naylor, Elsie; Parrott, Raymond; *Pearson, Robert; Plimpton, Rachel; *Rajaniemi, James; Ramsey, Rosalind; Sullivan, Barbara; Thompson, Myrtle; Waugh, Jordan; Wheeler, Donald; Woodward, Robert. *Diploma granted on basis of partial credit from United States Armed Forces.

Following a realization of the complete futility of expecting anything in the nature of a building program in the near future which might alleviate the crowded condition existing in some of our departments, one or two projects have been undertaken on our own which have proven quite gratifying.

The school supply room, which formerly occupied a small space off the shop, has been moved to the area under the auditorium stage. Space thus vacated has been converted by the shop classes into a combination supply, tool, and wash room, thus adding slightly to the shop space and at the same time eliminating much of the confusion formerly encountered in the corridor and boys' basement during the change of classes to the Mechanic Arts Department.

The crowded typewriting room, which was so small as to make direct supervision of the pupil by the teacher an impossibility, has been changed to a larger room on the third floor. Here adequate space is available not only for the proper teaching of typing, but also for the equipment and instruction of other commercial subjects formerly carried on in a second commercial room located next to the office on the first floor. The old typing room is now used for the smallest of the school's classes. The mechanic arts classes have started on a project of making individual typewriting tables for each pupil, thus eliminating the present typewriter benches upon which four pupils must work at the same time.

The partitioning off, with curtains, of a small area in the Home Economics room for the alteration of clothing, is but a start on a project which it is hoped may eventually greatly modernize this department. Present plans call for the installation of more storage cupboards and possibly one or two unit kitchens by the shop classes.

Equipment added to the school shop, either as direct purchases or as donations through the War Assets Administration, although of inestimable value to the school and the boys taking mechanic arts, has done anything but make that department of the school more adequate as far as space is concerned. Some provision will simply have to be made in the near future to expand the area now used by the shop classes. Although the machines donated by the W. A. A. were in themselves unusable

upon arrival, Mr. Michaud and his boys have done a fine job in making worthwhile and substantial equipment for our school from their parts. In addition to rehabilitating all of the old school machines with new parts and motors, the group has constructed the following very **useful** and valuable equipment: a spindle shaper, a mortising machine, a spindle sander, a wood turning lathe, and a milling machine. A one and one-half ton chain fall, maple workbenches, a speed lathe, and a considerable quantity of hand tools from the W. A. A., plus the direct purchase by the district of a new circular saw and a large quantity of supplies and hand tools, have further enhanced the value of this course for our boys. That the shop can be of value to the community as well as to the boys themselves is evidenced by the excellent spirit of community cooperation exhibited by this group in the making of the street signs for the entire town. I feel that more community projects could be undertaken with the object in view of bringing the school closer to the community and the community closer to the school.

The redecoration of several of the classrooms and the complete restoration of all the window shades in the building, have done much to improve the working conditions of the building.

A tape recorder, purchased from school activity funds, is proving to be an excellent tool in the English, Foreign Language, and Music departments. Peterborough High School is probably the first school in this state to own such a machine.

The school band, after making several false starts is at long last developing rapidly under the direction of Mr. Eddie Hamilton.

The teaching of Art, to those pupils willing and able to pay for the lessons, has had to be discontinued. Two of the former pupils of this class, however, are continuing their studies at the Sharon Art Center under the provision of scholarships set up for that organization.

The testing program, (administered by Mr. Richard Smart of Tilton, N. H.,) to provide for vocational and educational guidance to the members of the junior class, has proven most beneficial.

New courses added to our curriculum this year include Civics for grade 9, and World Problems and Human Behavior for grade 12.

RECOMMENDATIONS

1. A continuance of the policy of redecorating some portion of the school plant each year.
2. The purchase of transcribing and calculating machines for the Commercial Department.
3. The landscaping of the area to the rear of the school building to provide adequate space for recreational and noon-hour activities.

4. The purchase of a radio phonograph for the use of all classes of the school.

5. A continued interest in the physical education phase of our school, and an ultimate provision for this valuable type of activity in the regular curriculum.

6. I finally recommend that, in view of the fact that our school and its teachers have a vital influence on the personalities, characters, and careers of the children of this area, parents and citizens generally should take a more active and continuous interest in all phases of our educational program. I earnestly suggest that you meet your children's teachers, get to know them better, and make a sincere attempt to show them that they have your understanding, friendliness and support. May I further suggest that you make an honest attempt to work with some organization, (such as our local Parents and Teachers Association), which is seeking to improve our educational conditions. The alterations in our school plant to care for such items as a school lunch program or an expanded shop area, the improvement in our instructional program through the purchase of needed equipment, a provision for a physical education program or an expanded play area, are gains which never will be realized without a genuine desire for them on the part of parents and citizens alike.

B. Report of the Principal of the Central School

Esther F. Teed

I submit herewith my annual report of the Central School of Peterborough for the year 1947.

The enrollment at the Central School is two hundred twenty-four, an increase of six over the membership of last January. This includes four tuition pupils from Sharon. It is divided among the grades as follows—grade one, thirty-two; grade two, twenty-seven; grade one and two, twenty-two; grade three, thirty-one; grade four, thirty-five; grade five, thirty-six; grade six, forty-one.

One hundred twenty-one pupils are transported to and from school by bus. This number, together with twenty-four others, stay at school regularly for lunch, making our lunch period one of our greatest concerns. The lunch room is very much over crowded. I recommend strongly that the other half of the basement be equipped for a lunch room with tables and benches to relieve this congestion at noon. More heat might be needed as this side of the basement does not heat as well as the other half.

Because of an exceptionally large first grade last year and a large entering first grade this year it was necessary to divide these classes. We now have a mixed first and second grade which has taken care of the situation very nicely. Mrs. Barbara Carll was appointed the teacher for this group. The former second grade room was divided by a partition giving us the space needed for this class.

In June we conducted a registration day for children who were to enter school in September. This proved very beneficial to us as it took all of the confusion out of the first day of school in September. The parents registered the children in the school office, giving the necessary information for entry into school. Two girls from high school gave their services and typed all of these facts onto cards as it was given to them by the parents. From there they went to the First Aid Room where a physical examination was given each child by Dr. Lee, the school physician, assisted by Mrs. Myhaver, the school nurse, and two more girls from high school. Recommendations regarding the correction of defects found were made to the parents at this time. Because of this plan many of the defects were remedied during the summer vacation before school began and as a result the attendance in first grade has been noticeably better this year. A hand book containing the rules and regulations pertaining to school was given to the parents on this day. This procedure, I believe, has made for a better understanding between the home and school. I heartily recommend that it be repeated each year.

There were three changes on our teaching staff this year besides Mrs. Carll who was added to the staff. Mrs. Kendall is teaching grade three and Mrs. Dutton is the fourth grade teacher. Mrs. Nute is in charge of music as a supervisor. We are very fortunate indeed to have such an excellent corps of teachers. All have had a good teaching education topped with years of successful experience. We are looking forward to a year of high achievement.

The sixth grade science books arrived in October so that we now have an excellent science text throughout the six grades. This basal science course was started two years ago but not all of the books have been available until now.

Working toward my aim for continuity of subject matter from grade to grade, the fourth and sixth grades have received the Atwood and Thomas geographies. These help toward filling in gaps in this subject. The history and health courses still need material in some of the grades.

As I have stated in previous reports, an art supervisor could do much to enrich our courses in art. It is not so much the actual drawing that is important but rather the appreciation and understanding of the beauty which exists in the world about us. A feeling for color, form, rhythm, or harmony make

even the every-day things seem more beautiful and life is indeed enriched through it.

Three of us at Central School, Mrs. Kendall, Mrs. Crittsinger, and myself, are taking the Social Studies, University Extension Course given in East Jaffrey by Miss Grace Wilson from the Keene Teachers' College. This course carries three points of college credit. It is proving to be excellent and all of us taking it are profiting much through the instruction given.

We wish to thank Miss Jaquith for her annual visit to us during Book Week. Her book reports given in the various grades were very interesting and certainly would stimulate the children to read the books.

Our Audio-Visual program could be much more efficient if one of the rooms on the first floor could be equipped with dark curtains. At present the fifth grade on the second floor is the only room with black curtains. This is definitely a great handicap to what we might do in this line now that we have a projector of our own.

Many fire drills have been given during the fall months. The last drill took fifty-five seconds using both doors only; 2 minutes 58 seconds using both doors and the fire escape.

We appreciate the cooperation of our parents who have given us their loyal support during this school year. Only through cooperation can we hope to accomplish the tremendous task before us.

With deep gratitude I thank my teachers, supervisors, Mr. Badger, and the School Board for their support and sympathetic understanding at all times.

C. Report of School Health Work

OLA M. MYHAVER, School Nurse

The following report is the summary of the Health Activities at the Peterborough Public Schools from January 2, 1947 to December 31, 1947.

At the beginning of the year parents of new entrants were requested to fill out a disease census card. This report was then transferred to the Student's Health card and placed on file in the school. Also transferred from the Physical Growth Chart to the health card was the height, weight and average weight for height and age, and the records of vision and hearing. (In the testing of vision the Snellen (letter E) chart is used.) In the testing of hearing the Pure-tone (Maico) audiometer is used. The latter test seems to be a great improvement over the old procedure. The school health examinations of students were then completed by the Medical Inspector, Dr. Theodore H. Lee, assisted by the school nurse.

In the follow-up of defects found, parents have been notified of the defects of their children by letters, interviews or home visits by the school nurse. Cooperation of parents is necessary if defects are to be corrected. The nurse visited the schools and made inspection of students at regular intervals each month. In compliance with the laws of the State Board of Health regulating control of communicable diseases exclusions have been made and all grades of Central and High School were closed Sept. 12 to 19 inclusive.

Classroom inspection has been carried on by the classroom teacher. Minor accidents have been cared for. The first-aid cabinets are equipped for care of minor injuries.

Other Health Activities include: (a) The Service of cod liver oil capsules at Central School, (sponsored by Com. Student Health Fund of P. T. A.); (b) Dental Clinics by Dr. Lawrence and Dr. Kyes at offices (sponsored by Com. Student Health Fund of P. T. A.); (c) Tuberculin Skin tests and chest X-rays for Freshmen and Juniors and others, by Mrs. Aiken and Mr. Alden assisted by the school nurse (The State Board of Health, Tuberculosis Ass'n and Board of Education, local and state, cooperating); (d) Toxoid clinics at Town House by Dr. Clark and Dr. Lee assisted by Mrs. Fahey, Mrs. Hamilton and Board of Education, local and state cooperating; (e) Child guidance clinic—Manchester, N. H.; (f) Orthopedic clinic, Manchester, N. H.; (g) Removal of tonsils, Peterborough, N. H. (Eye clinics at offices of eye specialist.) No child is sent to any clinic without the consent of the parents.

In June all parents who planned to enter children in school in September were asked to register them then. At that time, with the parents present, 32 physical examinations were made by Dr. Lee assisted by the school nurse. Parents were notified then of their child's defects. Many of these defects were cared for the following summer and the child entered school defect free in September. It is hoped that this procedure may be an annual event.

The school nurse attended the Teachers' Institute at Keene, N. H. and the New England Health Institute at Durham, N. H. and the Teacher's Convention at Manchester, and the Superintendents and Nurses Meeting at Keene during the year.

At this time the Medical Inspection Department wishes to express its appreciation, especially to the Samaritan Society, the Salvation Army, Rotary, and the Legion Auxiliary for clothing, shoes, and other assistance and to all organizations contributing to the Community Student Health Fund of the P. T. A. We also thank all doctors, nurses, and the Peterborough hospital staff for their kind assistance and the teachers, principals, Supt. of Schools, and the boards of education and health (local and state), and the Tuberculosis Ass'ns for their cooperation.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Peterborough, qualified to vote in District Affairs:

You are hereby notified to meet at the Town House in said district on the ninth day of March 1948, at 8:30 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see if the district will vote to appropriate the sum of \$1,000.00 from the Nichols Fund for the purchase of new equipment, or take any other action thereto.
10. To see if the district will vote to authorize the construction of a playground and parking area in the rear of the High School, raise and appropriate money for same, or take any other action relating thereto.
11. To see if the district will vote to raise and appropriate the sum of \$3,000.00 for a more complete physical education program, or take any other action relating thereto.

12. To see if the district will vote to raise and appropriate the sum of \$3,000.00 for facilities and personnel for a school lunch program, or take any other action relating thereto.

13. To see what sum of money the district will vote to raise and appropriate for the repair, remodeling or reconstruction of the Central Grade School Building, or take any other action relating thereto.

14. To see if the district will vote to raise and appropriate a sum not to exceed \$21,364.35 as a capital reserve fund for the construction, reconstruction or acquisition of school buildings, said funds to be placed in the custody of the trustees of trust funds and reserved for the construction, reconstruction or acquisition of school buildings in accordance with the Laws of 1943, Chapter 160 as amended by the Laws of 1945, Chapter 35 and Laws of 1947, Chapter 8.

Given under our hands at said Peterborough this 23rd day of February 1948.

s/ MARY A. MORSE
s/ WINSLOW C. MORSE
s/ EARL N. SHULTZ
School Board

VITAL STATISTICS

Births Registered in the Town of Peterborough, N. H., for the Year Ending December 31, 1947

PETERBOROUGH HYMN

A. D. 1620

God our Father!
 Glory, Lord, to Thee!
Before whose voice
 Is mute the thund'ring sea!
Through wind and foam
 Thou lead'st us home—
To Thee be glory through eternity.

Lord, hunger and cold are nigh!
Lord, not for ourselves we cry—
Let not our children die!
Silence your loud alarms
God is our shield from harms—
He will make strong our arms.
Christ, who hath calmed the wave,
Christ will uphold the brave.
Christ, our Saviour!
 Father of our Faith!
To Thee we bring faint hearts and failing breath,
 Be Thou our Guide!
 With Thee we bide,
To love, to labor, and to hope till death!

EDWARD MACDOWELL
